Dear Chan Nyein,

Thank you for bringing the following vulnerabilities to our attention:-

POC:

[1.Go to this url http://core-cms.prod.aop.cambridge.org/core](http://core-cms.prod.aop.cambridge.org/core) and search something

2.and it takes u to next page

3.In the next page u will see refine search and just type this payload

<script>alert(document.domain)</script> in search form and it will pop up the alert

4.also in the author search just type the payload and it will pop up the alert.

We appreciate you taking the time, and effort, to inform us responsibly and ethically regarding these security issues. The relevant parties have been informed.

We wish you all the best with your future endeavours.

Yours sincerely
